

LET'S DISCOVER WHO ARE LOUIS PASTEUR AND CHARLES VIOLLETTE !

The father of the rabies vaccine's , Louis Pasteur.

Louis Pasteur (1822-1895) was a **French scientist**. He devoted his life to sciences and medicine. He became **the dean of the Sciences Lille University in 1854** but in 1857 he left Lille to go to Paris. While working on pasteurization, he discovered the **vaccine against rabies**. Following this amazing discovery, the **Louis Pasteur institute was inaugurated in 1888**. It was at this time that **Jack the Ripper** committed his crimes.

Charles Viollette (1823-1898) was a **french scientist** too. He worked as a **teacher at the Sciences Lille University**. Louis Pasteur chose him in 1856 as assistant teacher. Then he became **the dean of the University in 1873**. He was the **assistant of Gery Legrand** who was the mayor of Lille at this time.

Louis Pasteur and Charles Viollette were in Lille during the events in Whitechapel.

This is historical fiction from the high school Notre Dame de la Paix, Place du Concert, Lille.
